

January 2005

MEDISOURCE, INC. PURCHASES MEDZYME, INC. MediSource™, Inc. (Albany, GA) announced today that it has acquired MedZyme, Inc. (Woodstock, GA), supplier of the UltiZyme™ brand enzymatic cleaners. The acquisition will combine the MediSource manufacturing relationships with MedZyme's established distribution channels in the US market.

"MedZyme has grown into more than an enzyme company, together we can offer the market new alternatives", said Scott Haralson, new Chief Executive Officer of MediSource, "By combining the assets of these two companies, we will enhance our ability to provide quality products and superior customer service to our customers." UltiZyme™ brand enzymatic cleaners are a *Made in the USA* product. For more information 866-234-1447 or [medisourcesupport@earthlink.net](mailto:medisourcesupport@earthlink.net).
